### 3D modelling and rendering of an electronic device

Oct 2013  
Fixed Price \$ [redacted]

★★★★★ Tobias was very responsive to my suggestions and sincere in his work. He explained with sample renders the options I have and suggested which one is likely to be the best.

I enjoyed working with him. His communication and responsiveness were top-notch and his skills were strong. I

### 3D Developer

Sep 2013 - Oct 2013  
156 hours @ [redacted]

★★★★★ Amazing 3D developer. He was able to produce the content we wanted quickly and his quality of work was amazing. We couldn't tell it was 3D and not real life. Would for sure hire Tobias again if I had the budget to do so.
